NYS DEC Endorsed 4-Hour Erosion and Sediment Control Training Pre-registration and Course Fee Required

Course Location: Montgomery County Annex Building
20 Park Street (Room 111)
Fonda, NY 12072

Time: Registration at 7:30 am
Course from 8:00 am to noon

Registration Deadline: 2/19/19

Program Date: February 26, 2019

Course Fee: \$85/person

NYSDEC's SPDES General Permit for Stormwater Discharges from Construction Activity requires a contractor to identify the trained individual responsible for SWPPP implementation on permitted projects, and for project operators, including NYSDOT, to have sites inspected by qualified inspectors. Trained individuals and qualified inspectors ***need four hours of NYS DEC endorsed training every three (3) years.*** This seminar provides the four hours of training in proper erosion and sediment control principles and an overview of the SPDES permit requirements. Course participants will receive certificates of completion to use to verify training.
